Koichi Miyamoto is a partner who has specialized expertise in providing advice on financial regulatory issues including the Financial Instruments and Exchange Act, Banking Act and Investment Trust Act. His professional experience also includes providing legal services and advice in relation to structuring, formation and marketing of domestic and foreign investment funds, including private equity funds, venture capital funds, mezzanine funds, real estate funds, infrastructure funds, as well as asset management, FinTech and various types of financial transactions. In addition to his professional experience at Anderson Mori & Tomotsune, he has also worked for the Securities and Exchange Surveillance Commission of Japan (from May 2008 to May 2010), where he was in charge of the inspection of financial instruments business operators.
